TremCare Proposal

MM/DD/YYYY

We are pleased to submit our TremCare proposal. We extend this submission and all information contained herein for your evaluation, feedback and recommendations for further refinement.

Small roofing problems can become large, expensive issues. But TremCare, our comprehensive roof maintenance program that helps prevent premature deterioration and keeps your roof in top working order, can help keep that from happening.

By performing regularly scheduled inspections, housekeeping and maintenance, WTC's trained roofing technicians can uncover problems and take corrective action early to prevent costly emergency repairs.

We recognize the importance of delivering roof management services and projects in a professional, timely, cost effective and efficient manner. We are confident that WTC's qualifications, experience of team members, and management approach will yield long term beneficial rewards. We plan to deliver outstanding service using quality processes, proven methodologies and a team-oriented approach.

Sincerely,

Dave Mundy
Senior Field Advisor
